MESSAGE FROM EXECUTIVE

DIRECTOR, KATTI CARLSON, LMSW:

Well, we can't deny the fact that winter is here anymore. Thank you, Juneau, for a long warm fall and a slow start to winter. I love the snow-capped mountains and sunshine. Jen loves the fresh air. Kate loves people. We all love the generosity of our community.

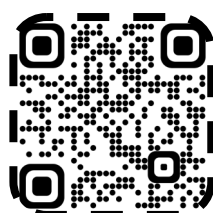

We have been celebrating the 5-year anniversary of Family Promise of Juneau (FPJ) all year. We celebrated our birthday in style with a BBQ at Sandy Beach in August. We could not have asked for a better day, including blue skies, delicious food, and the greatest company! Our growth and successes in the community over the past 5 years are a direct result of your dedicated and phenomenal support of FPJ. As part of our family, your consistent involvement is a key part of the community we are building. Thank you for helping us build sustainability within our agency for the purpose of supporting families on their path to long term sustainability.

This year has brought great change within our leadership. Our founding Board Chair, Tari, stepped down in August. While we will miss Tari's leadership, we are excited to welcome our new Board Chair, Deb Spencer. Deb brings a fresh perspective, energy, ideas, and encourages us to move forward in new directions. FPJ has grown under this change in leadership and we are excited about the possibilities that lay before us.

We continue to see an increased need for services for families in danger of becoming homeless in Juneau. Our numbers continue to rise in Prevention Services. Our calls have gone from 50 annually to over 200 in 2022. It is taking longer to house people than it has in the past. This last summer was especially hard on the families we serve (and the homeless population as a whole) due to the lack of affordable housing in Juneau.

Your support of ending childhood homelessness in Juneau has helped prevent homelessness for many families already. There is much work yet to do to ensure every child in Juneau has a place to call home. We wish you the best for a bright and joyful holiday season. We greatly appreciate your continued support in 2023 and beyond. THANK YOU!

join our team of givers

This year for the holiday season we are asking supporters to do 2 things.

*Join us in sustainable giving; if you're unable to join Families of 500, please consider a monthly contribution. This predictable income helps us apply for grant funding and supports children year-round.

If you sign up to be a recurring donor between now and January 3, we will put your name in a drawing for a new "Every Child Deserves a Home" sweatshirt.

*Support our New Stocking Stuffers event—see more info in the inserted flyer.
